

# Trouble

## Shampoo

Uh, oh, we're in trouble, something's come along  
And it's burst our bubble, yeah, yeah  
Uh, oh, we're in trouble gotta get home quick  
March on the doubleWe've been out all night  
'Nd we haven't been home we're walking through  
The back streets all alone

The party was great, yeah, we were really thrilledAnd when we get in, we're gonna get killed  
We couldn't get a cab 'cause we ain't got to money  
We missed the last train bus but the night bus never come

We're eight miles from home and it's starting toUh, oh, we're in trouble, something's come along  
And it's burst our bubble  
Yeah, yeah, uh, oh, we're in trouble, book us a ticket

On the next space shuttle, yeah, yeah troubleWe tried to steal a car but we soon realized  
We got down the road none of us could drive  
A police car came along and they took us for a ride

And when we get home we're gonna get gonna get friedUh, oh, we're in trouble, yeah, yeah, uh, oh, we're in  
trouble  
Uh, oh, we're in trouble something's came along  
And it's burst our bubble, yeah, yeah  
Oh, oh, we're in trouble, book us a ticket  
On the next space shuttle
