Gasoline

Caitlin Crosby

I'm no secret, I don't wanna hold it in vein
I'm no secret and it's getting in the way
How can I believe you when you say it's not a problem
Or believe you when I see you getting right on
I wont let you cry whent the devils on your back
Living on the fumes and you can't breathe
Dancing on the edge of tragedy
When the room is dark and your running on empty
I will be your gasoline
Yeah, I will be your gasoline
Take your pills and it gets you nowhere
Get ups and thrills then your back below square one
I wanna fill you tell you whats forgotten
and heal you when you tell me that you lost them
I wont let you cry when the devil's on your back
Living on the fumes and you can't breathe
Dancing on the edge of tragedy
When the room is dark and your running on empty
I will be your gasoline
Yeah, I will be your gasoline
Yeah, I will set you free
Show you what you need
Give it all to me
I won't let you cry when the devil's on your back
I won't let you cry when the devil's on your back
When the room is dark and your running on empty
I will be your gasoline
Yeah, I will be your gasoline
I will be your gasoline
I will be your gasoline.
Yeah, I will be your gasoline
Yeah, I will be your gasoline
I will be your gasoline
I will be your gasoline
Yeah, I will be your gasoline.
