Don't Gimme No Lip

Pearl Jam

Don't give me no lip
Don't give me no lip
Don't give me no
2x
Don't give me no lip, i've had my fill of it
Don't give me no lip, i've lost my taste for it
Don't give me no lip, you've got to face this shit
Don't give me no lip, Don't give me no lip
Don't give me no lip
Don't give me no lip
Don't give me no
3x

Don't give me no lip, I'm just not having it
Don't give me no lip, stuck on your cigarette
Don't give me no lip, I'm wiping off the spit
Don't give me no lip, Don't give me no lip
It's just a problem
One I'll be solving
It's just a problem
Don't give me no lip
Don't give me no lip
Don't give me no
4x
