

Welcome To My Hood

Sean Kingston

Cash Money
Ayo!
I do this for the hood!
Ayo!
Sean Kingston, I put that on my hood
This my life!
Yeah! Boweezy! Khaled
Ayo! Uh huh
Boweezy I put that on my hood
Everyone in the hood like me!
Put you hands up They see me lookin good,
They sayin I done changed,
Ain't a member on the block no more,
But I'm still the same,
So that's not the case I'm busy gettin money on tour,
Man I put that on my hood, hood, hood
Man I put that on my hood, hood, hood
I'm the same man The boy doin numbers,
I do it for colombus,
I put my city on the map now go locate a compass
They sayin I done changed, attitude ain't the same,
I guess this the negative effects that money brings,
I'm still the same shot from buck town,
Ain't nothin changed but the label, I'm reppin cash money now
Got love for the hood, I'm still givin back,
And sum still hate, well boy I'm used 2 that
Uh, and I got my mom a bigger house,
do it for the people they the only ones I care about,
Instead they make me out to be somethin that I'm not,
Sayin that I only care about hoes in my cash knots, They see me lookin good,
They sayin I done changed,
Ain't a member on the block no more,
But I'm still the same,
So that's not the case I'm busy gettin money on tour,
Man I put that on my hood, hood, hood
Man I put that on my hood, hood, hood
I'm the same man Thru the recession I was helpin people thru the drought,
This is for my people who is locked up and ain't gettin out
And bart came home, no more phat time,

While he was locked up I made sure that his daughter fine
Yea, now that's real people, they got people registered 2 vote now how much realer do it get?
And I love givin back, puttin smiles on kids faces,
Payin off tuitions makin sure they get an education. (it ain't nothin)
I would never turn my back on y'all, sis we used 2 window shop but now we tearin down the mall
Now I'm puttin up position to helpin make a difference,
I know I mess up sometimes so I ask God for forgiveness They see me lookin good,
They sayin I done changed,
Ain't a member on the block no more,
But I'm still the same,
So that's not the case I'm busy gettin money on tour,
Man I put that on my hood, hood, hood
Man I put that on my hood, hood, hood
I'm the same man
