

St-Clementine-on-Tea-and-Croissants

Benjamin Clementine

Where? Where is your son? Where did he go ?
This Clementine is on tea and croissants
Where? Where is your son? Where did he go?
This Clementine is on tea and croissants
Sweet.. Sweet sugar stranger... Where did he go?
This Clementine is on tea and croissants
Sweet.. Sweet sugar stranger... Where did he go?
This Clementine wants no more problems
This Clementine is on ...
This Clementine is on tea and croissants
This Clementine is on his tea and croissants
This Clementine wants no more problems
This Clementine is on...
This Clementine is on his tea and croissants
Where? Where is your son? Where did he go?
Sweet...Sweet sugar stranger... Where did he go?
Clementine knows where he is now
Sweet...Sweet sugar stranger... Where did he go?
No need to worry about him
Clementine is on his tea and croissants
