

Cradled in Love (Instrumental)

Poets of the Fall

You had the blue note sapphire eyes,
To back up all those gazes
To pierce my guard and to take my soul off
To faraway places Told me I'll never be alone,
Cos you're right there
We took a gamble with this love,
Like sailing to the storm
With the waves rushing over to take us,
We were battling against the tide You were my beacon of salvation,
I was your starlight So don't cry for your love,
Cry tears of joy
Cos you're alive cradled in love
So don't cry for your love,
Cry tears of joy
Cos you're alive cradled in love I kept the love you gave me alive,
And now I carry it with me
I know it's just a tear drop from mother earth,
But in it I can hear a dolphin sing
Telling me I'll never be alone,
I know you're right there So with the fire still burning bright,
I wanna gaze into your light
If I could see my fortune there,
You know how the flames can hypnotize Do i even dare to speak out your name for fear it sounds like,
Like a lover So don't cry for your love,
Cry tears of joy
Cos you're alive cradled in love
So don't cry for your love,
Cry tears of joy
Cos you're alive cradled in love
