

Strawberry Bounce

Janet Jackson

La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
I like to make it
You know I'll make it
(Now can you take it)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
I like to make it
You know I'll make it
(Now can you take it)Ooh baby
Let me be your playground
Push it out and catch it on the rebound
Turn it out swinging from this pole
I'mma make you
(Lose control)Gyrate then spin it like a yo-yo
Slap the back and jiggle it like jell-o
Honey if you came for a show
I'mma make you
(Lose control)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
Up and down baby
You know I like to make it
(Now can you take it)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
Up and down baby
You know I like to make it
(Now can you take it)Bump the beat
Just watch the way I pump it
The way I work it gonna keep you cumin'
Do a dance that's so sexual
I'mma make you
(Lose control)Don't trip

You know you wanna watch this
I'm a pro you won't be disappointed
Gonna leave you beggin' for more

I'mma make you
(Lose control)La-la-la-la

La-la-la-la

La-la-la-la

La-la-la-la

I like to make it

You know I'll make it

Now can you take it

(Lose control)La-la-la-la

La-la-la-la

La-la-la-la

La-la-la-la

Up and down baby

You know I like to make it

I like to make it

(Lose control)Ew wee baby

My lips as sweet as honey

When I put 'em in your face

Gonna make you spend ya' money

Come on or you're gonna miss it

Ring ring don't you wanna kiss it

(Lose control)Watchin' me do a dance

Makin' you so horny

If you want a little taste

Gotta show me how much you want

Pop it

Bounce, bounce

Clap, clap

You like dat?

(Lose control)I did a tease to bring you to yo' knees baby

Broke you down made you feel sleazy

Then you said

"Fine muthafucka, I like it, I like it"

(Lose control)I did a tease to bring you to yo' knees baby

Now you know that pimpin' ain't easy

Then you said

"Fine muthafucka, I like it, I like it"

(Lose control)La-la-la-la

La-la-la-la

La-la-la-la

La-la-la-la

I like to make it

You know I'll make it
Now can you take it
(Lose control)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
Up and down baby
You know I like to make it
I like to make it
(Lose control)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
I like to make it
You know I'll make it
Now can you take it
(Lose control)La-la-la-la
La-la-la-la
La-la-la-la
La-la-la-la
I like to make it
You know I'll make it
Now can you take it
(Lose control)
