

# Forever Yours

## Trey Songz

Yeah, yeah, yeah yeah, yeah

[ Verse 1 : ]

I bet her panties on the floor now... Hey

I can see it going down

I'm ready now

And I don't wanna wait another minute ( no oo oo )

So, I want a girl, the kind that handle business

I hope she's naked in the bed ( bed, bed )

I hope she tell me what she want just so I can do whatever she says

I hope she put me to the test, with some next, girl I came prepared ( yeah )

Give it to her body real good

Get up in her head, her head.

[ Chorus: ]

I know it ain't my crib, but I'm coming home

Daddy's little girl, I'ma treat you like ya grown

Show you how I feel, ain't that what you want

When I hit the door, all the clothes coming off

And once I'm here, there ain't nothing better for sure

And once I'm in, you gon' say It's forever yours, It's forever yours

Tell me it's forever yours, forever yours, ( forever ) yours ( yours ) tell me it's forever yours...[ Verse 2 : ]

Hey, hey

Walking in the door now ( hey hey )

Candles burning all around, She's ready now

And it ain't no bounds, no limits ( no oo oo )

I'ma hold ya so close when we finish

Girl I hope, she's naked in the bed ( you are, you are, you are )

I hope she tell me what she want just so I can do whatever she says ( tell me baby )

I hope she put me to the test, With some next, girl I came prepared

Give it to her body real good

Get up in her head, her head.

Chorus [ Repeat 1x ]

[ Hook : ]

I wanna do it real slow, If that's ok

I wanna take my time, and make your day

Make your night turn into the morning... Forever yours.

[ Hook 2 : ]

I wanna do it real slow, If that's Ok,

I wanna take my time, and make your day

Make your night turn into the morning

From sunrise down onto the evening  
Change sheets six times and that's just for the weekend  
Call me the Plumber Man from the way it be leaking Gone so long, Girl I'm happy to be back  
Plus I'm in the zone, can't another nigga match  
I hope she's naked in the bed ( bed, bed, bed )  
Promise ima do, what these other niggas said ( said, said, said )  
They would, if they could  
[ Chorus 1x ]
