

# An Old Christmas Card

[Jim Reeves](#)

There's an old Christmas card in an old dusty trunk  
And it brings back sweet memories dear to me  
'Though it's faded and worn, it's as precious as the morn  
When I found it 'neath our first Christmas treeI thrill with every word, every line  
Guess I'm always sentimental 'round this time  
Pardon me if a tear falls among my Christmas cheer  
It's the memory of an old Christmas cardYou know, I don't know why I get to feeling sentimental  
About this time, every year  
But every time I see a Christmas card  
I somehow can't help reminiscingAbout the very first Christmas that you and I spent together  
What a beautiful Christmas card you gave me that year  
Why I know you must have looked through thousands of cards  
To find that wonderful poem that still brings a tear to my eyes
