

# And You Don't Remember

[Mariah Carey](#)

Shattered dreams cut through my mind  
Tragically our love has died  
Memories confine my head  
Bitterly I face the end  
Trustingly I gave my self to you  
I let you inside believing your lies And you don't remember every time you told me  
You were mine for ever for eternity  
And you don't remember, how you used to hold me  
How we'd melt together, how you needed me  
How we used to be in love Stranded here in nothingness  
With only tears and loneliness  
Foolishly I gave my soul to you  
I let you inside believing your lies And you don't remember every time you told me  
You were mine for ever for eternity  
And you don't remember, how you used to hold me  
How we'd melt together, how you needed me  
How we used to be in love Helplessly I fell so deep  
I was so naive to let you in  
Why did I let you in to my heart Anything you told me  
You were mine forever for eternity yes you were  
I know you don't remember, how you used to hold me  
How we'd melt together together how you needed me  
How we used to be in love
