Lord Of Lies

Crematory

Use the lies you tell
To destroy others
You feel like a King
In this deceptive Kingdom
Pull the people who don't
Suit you through the mud
Slander them with nasty words
Your lines are your weapons
Terse with evil words
Because with your lies
You are only betraying yourself
Lord of lies
Don't care about the truth
Lord of lies
Just want your way
Lord of lies
Don't care who you harm
Lord of lies
It's just about getting your way
Determine in your brain
What is truth and what is lie
Put your thoughts on paper
To impose them onto others
You decide for others
Stop thinking for them
Because with your lies
You are only betraying yourself
Lord of lies
Don't care about the truth
Lord of lies
Just want your way
Lord of lies
Don't care who you harm
Lord of lies
It's just about getting your way
