

# Electric Church

## Mike Taylor

### [Verse 1]

If it feels good, sounds good, then it is good, real good  
If it looks tight, tastes nice, then it's alright, I want it all night[Pre-Chorus]  
I'm feeling myself, feeling myself  
And nothing's gonna take me away tonight  
No you're feeling yourself, feeling yourself  
Nobody's gonna tell you a thing tonight  
We don't have to talk, you don't have to speak  
Communicate through our body language  
We don't have to talk, you don't have to speak  
Communicate through our body language[Chorus]

Let the rhythm into your heart, yeah  
Let the spirit into your soul, yeah  
Let this music into your body, yeah  
Let this music into your body, yeah

### Church[Verse 2]

If it feels real and the vibes chill, then it is real, so trill  
If it got a little dirt, grit, a little broken, then it's perfect, it's worth it[Pre-Chorus]  
I'm feeling myself, feeling myself  
And nothing's gonna take me away tonight  
No you're feeling yourself, feeling yourself  
Nobody's gonna tell you a thing tonight  
We don't have to talk, you don't have to speak  
Communicate through our body language  
We don't have to talk, you don't have to speak  
Communicate through our body language[Chorus]

Let the rhythm into your heart, yeah  
Let the spirit into your soul, yeah  
Let this music into your body, yeah  
Let this music into your body, yeah
