Asleep In The Back

Elbow

Were you crushed?
Did I rush you?All my time is yours my twisted heart is yours
The faithless shit is yours, the shameless fits of love
That only smother you for moments
'Til I fold them up and leave, all yoursOh you had to ask, didn't you?
Oh you had to ask, didn't you?
Oh you had to knowOh you had to ask, didn't you?
Oh you had to ask, didn't you?
Oh you had to knowShow your scars
Not to rush youThe hieroglyphic hints in all the toilet scrawl
Guilty little pins in all the things I never talk about
Are spilling with the gin
Taste how tough you are, all yoursOh you had to ask, didn't you?
Oh you had to ask, didn't you?
Oh you had to knowOh you had to ask, didn't you?
Oh you had to ask, didn't you?
Oh you had to knowNot to rush you
