

# Asleep In The Back

## Elbow

Were you crushed?  
Did I rush you? All my time is yours my twisted heart is yours  
The faithless shit is yours, the shameless fits of love  
That only smother you for moments  
'Til I fold them up and leave, all yours Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know Show your scars  
Not to rush you The hieroglyphic hints in all the toilet scrawl  
Guilty little pins in all the things I never talk about  
Are spilling with the gin  
Taste how tough you are, all yours Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know Oh you had to ask, didn't you?  
Oh you had to ask, didn't you?  
Oh you had to know Not to rush you
