Everything Is Free

Chris Pureka

Everything is free now
That's what they say
Everything I ever done
Gonna give it awaySomeone hit the big score
They figured it out
That we're gonna do it anyway
Even if it doesn't payI can get a tip jar
Gas up the car
Try to make a little change
Down at the barOr I can get a straight job
I've done it before
Never minded working hard
It's who I'm working forAnd everything is free now
That's what they say
Everything I ever done
Gotta give it awaySomeone hit the big score
They figured it out
That we're gonna do it anyway
Even if it doesn't payEvery day I wake up
Hummin' a song
But I don't need to run around
I just stay homeAnd sing a little love song
My love, to myself
If there's something that you want to hear
You can sing it yourself'Cause everything is free now
That's what I say
No one's got to listen to
The words in my headSomeone hit the big score
And I figured it out
That we're gonna do it anyway
Even if it doesn't pay
