

## Redlight

[Verse 1: Lotti]

Every time I'm with you  
I get this feeling I can't explain  
I don't ever wanna stop  
In case I can't get it back again

[Pre-Chorus: Lotti]

I can't, I can't  
I can't seem to get enough, oh-oh  
I can't, I can't  
I can't seem to get enough, oh-oh

[Chorus: Lotti]

36,000 feet above the clouds and we keep on climbing  
36,000 feet, 36,000 feet, 36,000 feet, 36,000 feet

[Verse 2: Lotti]

It feels like I'm always lost  
Lost inside your love gaze  
And I don't wanna let it go  
Cause it might never feel the same

[Pre-Chorus]

[Chorus]

[Outro: Lotti]

And we keep on climbing, higher and higher  
And we keep on climbing, higher and higher  
36,000 feet, 36,000 feet, 36,000 feet, 36,000 feet  
36,000 feet, 36,000 feet, 36,000 feet, 36,000 feet
