

# Stuck On a Feeling (feat. Snoop Dogg)

## Prince Royce

She got me stuck on a feeling  
She got me stuck on a feeling  
(Que lo que mami) I like you talking dirty  
I like your filthy love  
You like the way I hold you  
When we are falling in love  
(Yo sÃ© que sÃ©-)  
In love  
(Mami yo sÃ© que sÃ©-) If it's love  
Then I don't want to come back up Girl I know you're a handful  
'Cause you know what you like  
You might be hard to handle  
But imma show you tonight  
(Pero que rica estÃ¡s)  
Tonight (QuÃ© rica estÃ¡s)  
What it's like (What it's like)  
When you're Stuck on a feeling  
Just can't stop  
Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it count Get stuck on a feeling  
Ya just can't stop  
Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it count Get stuck on a feeling (DÃ¡-melo mami)  
Get stuck on a feeling Let's go hide out in private  
Won't you show me your place  
A little peace and quiet  
Where we can both  
Misbehave (misbehave)  
Misbehave (misbehave) it's okay (it's okay)  
When you're Stuck on a feeling  
Ya just can't stop

Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it countGet stuck on a feeling  
Ya just can't stop  
Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it countGet stuck on a feeling  
(What, what, what, what?) (Ven con migo mami)  
Stuck on a feeling (she got me stuck on a feeling)  
I'm stuck on a feeling  
She got me stuck on a feeling  
She got me stuck on a feeling  
She got me stuck on a  
She got me  
She got me  
She got meWheelin' and dealin appealin I'm realin'  
Ya still in love with me  
All green  
I'm at it, romantic, no panic, organic  
Slide right next to me in ecstasy  
Now who could ever make you feel like I felt  
You're layin on your bed, just playing  
You're moaning and groaning  
You're squirming and squealing  
Guess it's true, I left youStuck on a feeling  
Just can't stop  
Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it countStuck on a feeling  
Just can't stop  
Once ain't enough  
Better lock this down  
Better box it up  
Gotta work me out  
Make it real  
Gotta make it countStuck on a feeling

She got me stuck on a feeling  
She got me stuck on a feeling  
She got me stuck on a feeling  
(Stuck on a feeling)

She got me

She got me

She got me

She got me

She got me

She got me (stuck on a)

She got me (stuck on a)

She got me (stuck on a)

(She got me stuck on a feeling)
