

Got To Be There

Jackson 5

Got to be there
Got to be there, in the morning
When she says, 'Hello', to the world
Got to be there
Got to be there, bring her good times
And show her that she's my girl Oh, what a feeling there'll be
The moment I know she loves me
'Cause when I look in her eyes
I realize, I need her sharing the world beside me So I've, got to be there
Got to be there in the morning
And welcome her into my world
And show her that she's my girl
When she says, 'Hello world'
I need her sharing the world beside me That's why I've got to be there
Got to be there when love begins
And that's everywhere she goes
I've got to be there so she knows
That when she's with me she's home, yeah Got to be there, got to be there
Got to be there, got to be there
Oh baby, baby got to be there
Got to be there
Got to be there, got to be there
Oh got to be there, got to be there
Oh got to be there, got to be there
