

# No More

## LeToya

This is dedicated to  
This, This, This is dedicated to  
Mmmmmm, well if your feeling like Im feeling, then this is dedicated to you

### Verse 1:

Well, Ive been the super girlfriend  
Let you think that nothing bothered me  
Like when you go out with your friends  
And people bring me back the stories  
The stories bout them other girls  
Bout this one, and that one, and those three  
So when I ask a simple question (Where were you last night?)  
You wanna yell and scream and try to flip it on me

### Bridge:

No, No, Noooo (No, No)  
Is anybody else just fed up?  
If you heard it all befoe, foe, foe (foe, foe)  
Then right where you are just get up

### Chorus (2X):

Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Cause Ive dried my eyes and I realized  
I deserve somebody thatll treat me right  
Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Because I know my worth so you can keep  
That drama, I dont want it anymore  
Ooooh, oh, oh oh, not anymore

### Verse 2:

Mmmmm, no more settling for less  
Im looking for that kind of man  
Thats gonna give his best, cause Im giving my best  
A man that wants to cherish this

And knows exactly how to woo me  
Not some silly little boy  
Who wants my goodies cause he took me to the movies

Bridge:

No, No, Noooo (No, No)  
Is anybody else just fed up?  
If you heard it all befoe, foe, foe (foe, foe)  
Not Anymore lyrics on  
Then right where you are just get up

Chorus (2X):

Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Cause Ive dried my eyes and I realized  
I deserve somebody thatll treat me right  
Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Because I know my worth so you can keep  
That drama, I dont want it anymore  
Ooooh, oh, oh oh, not anymore  
Ooooh, oh, oh oh, not anymore (walking out the door)  
Ooooh, oh, oh oh, not anymore (no, not anymore)  
Ooooh, oh, oh oh, not anymore  
Ooooh, oh, oh oh, not anymore  
Ooooh, oh, oh oh, not anymore  
Ooooh, oh, oh oh, not anymore (not no more, not no more, Im gone)  
Ooooh, oh, oh oh, not anymore (Nooooooooooooo)

This is dedicated to(said I'm leaving today)  
This, this, this is dedicated to(wipe the tears from my face)  
Mmmmm, (if you feel me say)  
well if you feeling like Im feeling, then this is dedicted to you

Chorus:

Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Cause Ive dried my eyes and I realized  
I deserve somebody thatll treat me right

Somebody say, I dont want it anymore  
I dont want it anymore  
Somebody say, I dont want it anymore  
I dont want it anymore  
Because I know my worth so you can keep  
That drama, I dont want it anymore  
Ooooh, oh, oh oh, not anymore
