## Blaudzun

all like lions, could and dark  
take a flight and catch you low into  
the le you know the more you see  
ooh my handsome days return to me  
closed eyes, burn marks  
they do, unchain the great spark to have it all  
the less you know the more you see  
ooh my handsome days return to me  
turn to me, turn to me, turn to me, turn to me  
turn to me, turn to me, turn to me, turn to me  
turn to me, turn to me, turn to me, turn to me  
the less you know the more you see  
the less you know the more you see  
the less you know the more you see  
the less you know the more you see  
turn to me, turn to me, turn to me, turn to me  
lied lights crowd dark, they do, take fly and cut off into  
the less you know the more you see  
hide, hide
