Until the Sun Comes

Rival Sons

I know you think you've heard it all before
but you'll be telling stories of tonight
get it left, get it right, get it up and down
and trough it all I'll be staring at your eyesand we dance
we can dance until the sun comes up
until the sun comes...and if you don't believe what I say
I'll kiss your eyes if you're in doubt
get it left, get it right, get it up and down
this building might burn but we'll be making outand we dance
we can dance until the sun comes up
until the sun comes...
