

Opportunity

Motor Ace

I shouldn't talk back to ya
I couldn't shut my mouth
But it feels much better
You're leaving me no questions
You're giving me no choice
And it feels like hanging on Waking to the same thing
Does it feel like getting old
Want to take the wrong direction
A lesson that I can't be taught Opportunity, opportunity, opportunity
In my mind
Opportunity, opportunity, opportunity
Left behind
Opportunity, opportunity, opportunity
Take your time
Opportunity, opportunity, opportunity
Missing mine. A threw a look right to ya
I wouldn't ask to stay
But it feels like getting on
You're leaving me no question
You gave me too much choice
Now that chance has come and gone. Waking to the same thing
Does it feel like getting old
Want to take the wrong direction
A lesson that I can't be taught Opportunity, opportunity, opportunity
In my mind
Opportunity, opportunity, opportunity
Left behind
Opportunity, opportunity, opportunity
Take your time
Opportunity, opportunity, opportunity
Missing mine. Shout cause I'm not listening
It always pays to tell me twice
I'm too old to get the feeling
But I'm too young to give advice
If I took it as you take it
I'd be dead before I ever got bored. Opportunity, opportunity, opportunity
In my mind
Opportunity, opportunity, opportunity
Left behind

Opportunity, opportunity, opportunity
Take your time
Opportunity, opportunity, opportunity
Missing mine. Opportunity, opportunity, opportunity (let me go)
In my mind
Opportunity, opportunity, opportunity (let me go)
Left behind
Opportunity, opportunity, opportunity (let me go)
Take your time
Opportunity, opportunity, opportunity (let me go)
Missing mine.
