

Go

Nlt

I wake up in the morning and I'm thinking of you
I'm thinking of you, yeah
Believe me you have got me thinkin' I've got something to lose
Something to lose, no
I gave you everything I got babe and in return
And in return
You pull away and there's a distance I don't deserve
I don't deserve, no
What happened to friendship? What happened to trust?
They went separate ways and baby somewhere in the middle was us
I've gotta say something, it hurts to the bone
Girl, I wanna be with you, it's better now, girl you can go
I can't understand why you pull away your hand
But it's happened too many times
I don't wanna beg for your love if love is there
But the heart you're 'bout to break is mine
So it's better that you
Go, go, go, go, girl go, girl just go
I said, it's better that you
Go, go, go, go, girl go, girl please go
So it's better that you
I'm not tryin' to play girl, it's not like that, no
I ain't tryin' the game girl to win you back, no
Thought we had something like
Just what I wanted, everything I needed
Girl, you completed me but that's the problem, yeah, yeah
And I don't know how to solve it, no
What happened to friendship? What happened to trust?
They went separate ways, baby, somewhere in the middle is us
I've gotta say something, it hurts to the bone
Girl, I wanna be with you, but it's better now, girl if you go
I can't understand why you pull away your hand
But it's happened too many times
And I don't wanna beg for your love if love is there
But the heart you're 'bout to break is mine
So it's better that you
Go, go, go, go, girl go, girl just go
I said, it's better that you
Go, go, go, go, girl go, girl please go

So it's better that you
I'm about to tell you something might upset you
You know I loved you ever since I met you
But you got me trembling
And I'm sick 'cause you don't want to
And now I feel ashamed 'cause I just have to say
Go ahead girl, walk away
Go ahead girl, walk away
Go ahead girl, walk away, walk away
Go ahead girl, walk away
Go ahead girl, walk away
Go ahead 'cause I can't say
Just what I'm feeling when I'm next to you girl
I can't understand why you pull away your hand
But it's happened too many times
And I don't wanna beg for your love if love is there
But the heart you're 'bout to break is mine
So it's better that you
Go, go, go, go, girl go, girl just go
I said, it's better that you
Go, go, go, go, girl go, girl please go
Time for you to go
No, no, no, time for you
'Cause it's better that you
Time for you, time for you
Said, it's better that you
