

# The Sea Is Calling

## The Temper Trap

At night  
When it's quiet  
And the waves come rolling in  
The merchant ships light  
Paints the dark  
As we sing hymns To one who is great  
Whom by words cannot be seen  
When all left is love  
There will be no in between Tucked in the corner of earth  
Naked in light we are birthed  
Oh can you hear the sea calling  
Calling us into this world A distance  
From grace  
We shall toil  
With our days  
And take home the dirt  
That has rendered us as slaves  
Our mothers will cry  
Is there something in the sky  
We know we are present here  
Though may never know why Tucked in the corner of earth  
Naked in light we are birthed  
Oh can you hear the sea calling  
Calling us into this world  
Tucked in the corner of earth  
Naked in light we are birthed  
Oh can you hear the sea calling  
Calling us into this world Tucked in the corner of earth  
Placed on the wayside at birth  
Found on the open road  
Making our way back home  
Tucked in the corner of earth  
Naked in light we are birthed  
Oh can you hear the sea calling  
Calling us into the world
