

# Cold Cold Heart

[Kitty Wells](#)

I tried so hard, my dear to show that you're my every dream  
Yet you're afraid, each thing I do is just some evil scheme  
A mem'ry from your lonesome past keeps us so far apart  
Why can't I free your doubtful mind and melt your cold, cold heart? Another love before my time made your  
heart sad and blue  
And so my heart is paying now for things I didn't do  
In anger unkind words are said that make the teardrops start  
Why can't I free your doubtful mind and melt your cold, cold heart? You'll never know how much it hurts to see  
you sit and cry  
You know you need and want my love yet you're afraid to try  
Why do you run and hide from life, to try it just ain't smart?  
Why can't I free your doubtful mind and melt your cold, cold heart? There was a time when I believed that you  
belonged to me  
But now I know your heart is shackled to a memory  
The more I learn to care for you the more we drift apart  
Why can't I free your doubtful mind and melt your cold, cold heart?
