Come With Me

Special D

At the end of every week
Each one of us becomes a freak
Tonight the DJ makes us move
Until the sweat drops from the roof
It's time to let the base beat hard
Now we launch the louder part
Just activate your energy
Let's sing this song an' come with me.The speakersystem brings the sound
And light effects are spinnin'round
All the people on the floor
They shake their bodies and cry for more
Never let this feeling go
And let the musik take control
Forget your problems and feel free
Enjoy this moment come with me
