

# When Worlds Collide

## Powerman 5000

Now this is what it's like when worlds collide  
Now this is what it's like  
Now this is what it's like when worlds collide  
Now this is what it's like What is it really, what's goin' on here?  
You've got your system for total control  
Now is there really anybody out there?  
Now watch us suffer 'cause we can't go What is it really that is in your head?  
What little life that you had just died  
I'm gonna be the one that's takin' over  
Now this is what it's like when worlds collide Are you ready to go  
'Cause I'm ready to go?  
What you gonna do baby, baby?  
Are you going with me  
'Cause I'm going with you?  
That's the end of all time What is it really that motivates you  
The need to fly or this fear to stop?  
I'll go along but then you'll realize  
When we get there, I say 9 of 10 drop Now who's the light and who is the devil  
You can't decide so I'll be your guide  
And one by one they will be hand chosen  
Now this is what it's like when worlds collide Are you ready to go  
'Cause I'm ready to go?  
What you gonna do baby, baby?  
Are you going with me  
'Cause I'm going with you?  
That's the end of all time Now this is what it's like when worlds collide  
Now this is what it's like  
Now this is what it's like when worlds collide  
Now this is what it's like What is it really when they're fallin' over?  
Everything that you thought was denied  
I'm gonna be the one that's takin' over  
Now this is what it's like when worlds collide Are you ready to go  
'Cause I'm ready to go?  
What you gonna do baby, baby?  
Are you going with me  
'Cause I'm going with you?  
That's the end of all time Are you ready to go  
'Cause I'm ready to go?  
What you gonna do baby, baby?

Are you going with me  
'Cause I'm going with you?  
That's the end of all timeAre you ready  
'Cause I'm ready?  
That's the end of all time  
Are you going?  
Yes I'm going  
That's the end of all time
