

Prayin' for Daylight

Rascal Flatts

I don't want to spend another lonely night

oooooooo

I've got the lights turned up

The door is locked, the bedroom TV's on

Doing the only thing that gets me through the night

Since you've been gone

Prayin' for daylight waiting for that morning sun

So I can act like my whole life ain't going wrong

Baby come back to me, I swear I'll make it right

Don't make me spend another lonely night

Prayin' for daylight

I made a bad miscalculation

Betting you would never leave

'Cause if you're getting on with your new life

Then where does that leave me

Prayin for daylight

Prayin for daylight

Hoping that I didn't wait too long

That this is just the dark before the dawn

Deep in my heart I know

That you love me as much as i love you

And that you must be lying somewhere

Looking up to heaven too

Prayin' for daylight

I don't want to spend another lonely night

I don't want to spend another lonely night

Prayin' for daylight
