# Fueiho Boogie

## Swim Deep

Oh, Club Flower, don't hold me down
No, Romeo, no more romance
We call the police, play all the hits
It's four to the floor here, how could they resist?Ooh, we're in the house of fun
Ooh, we're gonna run and runOh I don't know why you can't dance in Japan
"I hope that I can next time"Oh! Tokyo! Don't stop the trance!
Ohh do the Fueiho boogie
We'll dance for miles and miles
Hear the 303 and break free, we won't stop at 12
You can't divorce us from our style!Ooh, we're in the house of fun
Ooh, we're gonna run and run
Ooh, we'll stay out tonight
(We're in the house of fun, we're in the house of fun)
Ooh, we're gonna run and run
(We're in the house of fun, we're in the house of fun)
(We're in the house of fun, we're gonna run and run)
(We're gonna run and run, we're gonna run and run)Oh I don't know why you can't dance in Japan
"I hope that I can next time"
Oh I don't know why you can't dance in Japan
"I hope that I can next time"We're in the house of fun
We're in the house of fun
We're in the house of fun
We're gonna run and run
We're gonna run and run
We're gonna run and run
