

I Think We're Livin' In the Good Old Days

Merle Haggard

I think we're livin' in the good old days
So cheer up friends and be glad
I think we're livin' in the good old days
The best anybody ever had We think we're doin' now maybe memories later
So let's live it up all the way
And let's make the night one more night to remember
Tomorrow we'll look back on today I think we're livin' in the good old days
So cheer up friends and be glad
I think we're livin' in the good old days
The best anybody ever had Well, when I hear people talkin' 'bout the good old days
There's one thing I can't understand
Well, while I take advantage of today and tomorrow
And let's live it up while we can
