# Life in Letters

## Lucy Schwartz

I know you, with your heart of blue
You take your troubles and release the sound
Into the open, up from the ground
These words unspoken, you sing aloudWords can be strong, like the beating drum
Like ten thousand voices that call together
A is the ailment, and B makes it better
C is creating your life in lettersMmmmba ba Mmmba ba/ Oh Oh
Life in letters
Mmmmba ba Mmmba ba/ Oh Oh
Life in lettersSo take me back, I have lost the path
I need to recover this life you lead
Sing when I'm broken and I'll sing when I'm free
Sing for the world and then sing just for meWe are just stories, so here's mine to tell
Give my heart freely, hope you keep it well
A is the ailment, and B makes it better
C is creating your life in lettersMmmmba ba Mmmba ba/ Oh Oh
Life in letters
Mmmmba ba Mmmba ba/ Oh Oh
Life in lettersA B C, B C
Come on set me freeMmmmba ba Mmmba ba/ Oh Oh
Life in letters
Mmmmba ba Mmmba ba/ Oh Oh
Life in letters
