

# Swinging Doors (Swang In Doors)

Ray Price

This old smoke filled bar is something I'm not used to  
But I gave up my home to see you satisfied  
And I just called to let you know where I'm livin'  
It's not much but I feel welcome here inside  
I've got swinging doors a jukebox and a bar stool  
And my new home has a flashing neon sign  
Stop by and see me anytime you want to  
Cause I'm always here at home till closing time I've got everything I need to drive me crazy  
And I've got everything it takes to lose my mind  
And in here the atmosphere's just right for heartaches  
And thanks to you I'm always here till closing time  
I've got swinging doors
