

I'm Your Kingpin

Manfred Mann

You and me little baby, yeah
Could have a lotta fun
Just remember who the boss was
I'm your kingpin
Oh yeah, I'm your kingpin I have loved you baby
Since the day we met
One little thing, baby, don't forget
I'm your kingpin
Oh yeah, I'm your kingpin Kingpin give the orders
Kingpin spin the gold
Kingpin see when they come and go
I'm your kingpin
Oh yeah, I'm your kingpin
