

She's Gonna Break Soon (Live, London)

Less Than Jake

She's gonna break soon
Gonna break soon
Gonna break soon
She's gonna break soon
Gonna break soon
Gonna break soon
With so many problems in her life it really comes as no surprise
She's gonna break soon
Gonna break soon
She's gonna breakWelcome to her busy dizzy life
Of going out and getting high
And following all the latest trends
While shedding all her oldest friends
It's been weeks worth of weekends
With fake I.D.s and fake passions of her best friendsShe's gonna break soon
Gonna break soon
Gonna break soon
She's gonna break soon
Gonna break soon
Gonna break soon
With so many problems in her life it really comes as no surprise
She's gonna break soon
Gonna break soon
She's gonna breakShe's been thinkin' wishin' she could hide
From the girls with the comments passing by
It's the boys in bars on Friday night
That replace the emptiness inside
She'll be spending her whole weekend
Faking laughs and faking smiles with her fake friendsShe's gonna break soon
Gonna break soon
Gonna break soon
She's gonna break soon
Gonna break soon
Gonna break soon
With so many problems in her life it really comes as no surprise
She's gonna break soon
Gonna break soon
She's gonna breakPromises you made back home
Are crumpled like the goodbye notes

And last night's dirty clothes
Were on the floor next to the phone
And it's been disconnected months ago
No calls from your friends back home
You lost your point of view and now
It's got the best of got the best of got the best of you
She's gonna break soon
Gonna break soon
Gonna break soon
She's gonna break soon
Gonna break soon
Gonna break soon
With so many problems in her life it really comes as no surprise
She's gonna break soon
Gonna break soon
She's gonna break
