

# Wake Me Up

Ed Sheeran

I should ink my skin  
With your name  
And take my passport out again  
And just replace it See I could do without a tan  
On my left hand, where my fourth finger meets my knuckle  
And I should run you a hot bath  
And fill it up with bubbles 'Cause maybe you're lovable  
And maybe you're my snowflake  
And your eyes turn from green to gray and in the winter I'll  
Hold you in a cold place  
And you should never cut your hair  
'Cause I love the way you flick it off your shoulder And you will never know just how beautiful you are to me  
But maybe I'm just in love when you wake me up And would you ever feel guilty  
If you did the same to me  
Would you make me a cup of tea  
To open my eyes in the right way  
And I know you love Shrek  
'Cause we've watched it twelve times  
But maybe you're hoping for a fairy tale too  
And if your DVD breaks, today  
You shoulda got a VCR  
'Cause I never owned a Blu-Ray  
True say And now I've always been s\*\*\* at computer games and your brother always beats me  
And if I lost, I go all cross  
And chuck all the controllers at the TV  
And then you'd laugh at me  
And be asking me  
If I'm gonna be home next week  
And then you'd lie with me till I fall asleep  
And flutter eyelash on my cheek between the sheets And you will never know just how beautiful you are to me  
But maybe I'm just in love when you wake me up I think you hate the smell of smoke  
You always tryna get me to stop  
But you drink as much as me  
And I get drunk a lot So I'll take you to the beach  
And walk along the sand And I'll  
Make you a heart pendant  
With a pebble held in my hand And I'll carve it like a necklace  
So the heart falls where your chest is  
And now a piece of me is a piece of the beach and it falls just where it needs to be

And rests peacefully  
So you just need to breathe  
To feel my heart against yours now  
Against yours now 'Cause maybe I'm just in love when you wake me up  
Or maybe I'm just in love when you  
wake me up  
Maybe I fell in love when you woke me up
