

# The Jealous Kind

Joe Cocker

Girl, don't be angry if I seem rude  
Each time we meet  
A boy that you once knew  
[?] just to be so close to you It's just that I'm so afraid  
Someone might steal you away, I'd lose my mind  
So please forgive me for the way I act sometimes  
I'm the jealous kind If you only knew where I lived  
And didn't mind  
[?] can't you see [?]  
That I'm losing my mind I want you all to myself  
I don't want you shackin' with nobody else  
I can't help it if it's the way I act sometimes  
Because I'm the jealous kind You know I love you girl Just one more thing now, If you only knew  
How much it hurts me just to hear you say  
How, when we first met  
I can't think that those were the good old days Why must you hurt me so  
I can't stand it no more, I'm tryin'  
So please, I can't control these tears in my eyes  
Lord I'm the jealous kind I love you baby  
You know you've got me baby You know I'm the jealous kind
