Even Tho'

Webb Pierce

Even tho' you took the sunshine out of my heaven
Even tho' you took the twinkle out of my eyes
I will always be in love with you my darling
Even tho' I sit and wonder if I'm wiseSince the day that you first told me that you love me
I have been head over heels in love with you
Now you say our little romance has to end dear
I walk the floor and wonder what I'll doEven tho' you took the sunshine out of my heaven
Even tho' you took the twinkle out of my eyes
I will always be in love with you my darling
Even tho' I sit and wonder if I'm wiseThere was a time when in my heart I didn't doubt you
Now I'm never sure of what you say or do
For every time time, I try to put my little arms around you
Something tells me that you're not the same old youEven tho' you took the sunshine out of my heaven
Even tho' you took the twinkle out of my eyes
I will always be in love with you my darling
Even tho' I sit and wonder if I'm wise
