

# Prayer

Pastor Troy

A yo,a yo  
Theres a pray for every real nigga in the country  
When you wake up man,and shit feels like it's to hard to bare  
Just repeat this prayer  
I belive that jesus is the son of god,that he died and rose  
Again to give us this day to eternal life  
Throw it up and every thing gonna be alright  
We ready
