

# He Came Looking for Me

## The Crabb Family

One night while on life's raging sea  
It looks as if I would suffer defeat  
As the blindness of night closed off the light  
My heart sank with fear  
My desperate cry rang out with fright  
All I could see was no hope in sight  
With faith all but gone, I met the One  
who came looking for me  
He came looking for me  
He came looking for me  
He made a way when there was no way  
that I could see  
I drifted far, Jesus was near  
To rescue my soul and calm all my fears  
Now I'm save from all harm since I met the One  
who came looking for me  
Oh Satan had already picked out my grave  
his planned had moved forward to put me away  
I drifted so far would anyone care that I'd soon be lost  
I knew that destruction was a matter of time  
But Jesus appeared and said "This one is mine"  
Now I'm safe with no harm for He walked through the storm  
He came looking for me  
He came looking for me, He came looking for me  
He made a way when there was no way that I could see  
When I drifted far, Jesus was near  
To rescue my soul and calm all my fears  
Now I'm safe from all harm since I met the One  
who came looking for me  
He came looking for me, Yes He came looking for me  
He made a way when there was no way that I could see  
I drifted so far, Jesus was near  
To rescue my soul and calm all my fears  
Now I'm safe from all harm since I met the One  
who came looking for me  
Now I'm safe from all harm since I met the One  
who came looking for me
