I Am Machine Gun

Morning Glory

I am machine gun
I spray when I speak
I'm a machine gun
I prop up the weak
I am machine gun
Slur my words and spit
I'm a machine gun
Mouth full of shit
A machine gun
Specialer than you
I have no words at all
But riddle you through
On you I count coupThe wasting of a gift
Is the highest crime
The universe gave you talent
But you're wasted on mine
It's not how you feel
About me
It's how you feel about yourself
When you're with me
Superiority
Have stopping power
With a grain of sand
Forever more
I plague your land
I am the tower
Lay all things aside
You acquiesce
As all things abide
A grain of sand
Now hold my hand
