Some Folks

Alice Cooper

Some folks
Love to see red
Some folks
Never talk about it
Some folks
Crave a blue lady
Some folks
Know and still they doubt itI'm just no good without it
I'm not a man at all
It makes me skin crawlBaby, baby
Come on and save me, save me
My, my baby, baby
Come on and save me nowSome folks
Love to feel pain
Some folks
Wake up every mornin'
Some folks
Live for no reason
Some folks
Die without a warningI'm just no good without it
I'm not a man at all
It makes me skin crawlBaby, baby
Come on and save me, save me
My, my baby, baby
Come on and save me, save me
My, my baby, baby
Come on and save me nowI can't live without it
Just can't live without it
I don't wanna think about it
Don't wanna think about it
I just, I just can't live without it
I think I can't, I can't live without it
I just can't, no I can't live
I can't liveI'm just no good without it
I'm not a man at all
It makes me skin crawlBaby, baby
Come on and save me, save me
My, my baby, baby
Come on and save me, save me

My, my baby, baby
Come on and save me, save me
My, my baby, baby
Come on and save me now'Cause I just can't live without it
I just can't live without it night
I don't wanna think about it
I don't wanna think about it now
I just can't live without it
I don't wanna, don't wanna think about it now
