

Son Of The Morning Star

Danzig

Do I need thoughts so cold?
Could I feel more alone?
Am I more damned than thou?
Should I wear tortures frown? Should I live my life a lie?
Could I be less alive?
Shall I bask in God's light
Shall I fall one more time? [Incomprehensible] Should I feel lost somehow?
Do I feel less than thou?
Could I be less undone?
Could I fall deeper down? [Incomprehensible]
