

Henry

Bif Naked

I failed you, Henry, yeah, I failed you good
I was forgotten and I understood
But time, it stood still when you walked in
I'm too proud to inquire as to where you've been Please don't take this the wrong way
You're truly lovely, baby
But the welcome matt, it ain't out
My baby and I will be just fine
So be a man and just turn around And get along, Henry
Go, be a good boy, Henry
Oh, this is your song, Henry
I guess this is goodbye I love you, Henry, yeah, I love you still
And I love your kisses and I always will
But I do not need you to raise this child
Yeah, you're iron-fisted and you're mustang wild Please don't take this the wrong way
You're truly lovely, baby
But the welcome matt, it ain't out
My baby and I will be just fine
So be a man and just turn around And get along, Henry
Go, be a good boy, Henry
This is your song, Henry
I guess this is goodbye Yeah, get along, Henry
Go, be a good boy, Henry
This is your song, Henry
I guess this is goodbye
Goodbye, I guess this is goodbye Henry, I guess this is goodbye
Henry, I guess this is goodbye
Henry, I guess this is goodbye Goodbye, Henry
Goodbye, Henry
