

Revolt III

Kent

Peel my skin off, baby peel
I need my TV nerves to feel
That I don't care Shake, my legs won't stop to shake
I need a kicking 'cause I'm fake
And I don't care She's speeding all the time
Exhausted, looking fine
Oh baby, you're a crime
And I don't care, no I don't care Peel my skin off so I feel
I have something you can't steal
'Cause I don't care She's speeding all the time
Exhausted, looking fine
Oh baby, you're a crime
And I don't care, no I don't care
And I don't care, no I don't care
