Check, check to the mic check

you ain't got nothing but a moment alive
you can't front when you feellin' the vibe
you know scribe is takin' you high
(high), love it with the double bass
vibrate, shake the plates in ya vertebrate
yo hit a man, move like a RS,
Subaru with a crew, come equipped, like a body kit, lyrically Bob Burnquist, so one foot is in the style,
through his tongue like a stale fish
this kid named X, from the Vic, wanna get
with scribe, in live, like a 0-5, I got vibe, like a beehive
and when the mother from the squid of a pimp
of tha sea side, and get you on the way that we ridearound town in the down low,
never know, what the flow, bro,
chop chop, cant stop hip hop, cause it don't stop
check it out! (there's) check it out (no) check it out...

uh uh, uh uh, I don't know any body.Something for the ride on cruise controlWhen the bass vibrates,

sthe hives like a earthquake
Thought this is not good for you
You made a great mistake, your eyes stop and
bomp be gone
sick of this, flick the switch.
nitrous kick wanna trip? this is some new shit.
real deal, like Cody field
you know telling if you rock like Mike or just might...
Rock! Like doubie drop, doubie drop tight,
t-club get it on representing all night,
take flight, like Nike kicks with tricks
and make quick, when the vibe hit and
don't sit just get on down and profound with sound
that we found with the underground.
don't sit just get on down and profound with the sound that we found with the underground.
how many dudes you know roll like this?
how many dudes you know flow like this?
not many, if any.
not many, if any.

and come to South Canterbury,
