What a Friend

Greg Long

You know people told me all of my life
True friendship's hard to come by
But I had to find out for myself
Now I've finally come to realize, oh, ohWhat a friend we have in Jesus
All of our sins and griefs He'll bare
What a privilege to carry
Everything to God in prayerEverything to God in prayerAll my strength in never ending loss
Friends with limited warranties, yea-oh
Until You I never knew a lifetime guaranteed
Friend could really be my reality, ohWhat a friend we have in Jesus
All of our sins and griefs He'll bare
What a privilege to carry
Everything to God in prayerEverything to God in prayerEverything to God in prayerEverything to God in prayerEverything to God in prayerEverything to God in prayerWhat a friend we have in Jesus
All of our sins and griefs He'll bare
What a privilege to carry
Everything to God in prayer
