

Love Glove

Visage

Love change, we change
One cheque for love
One lost gloveNever to reappear
Gone forever with the change
Oh it's such a shame
Nothing's true anymoreGive me the love glove
I'll give you love for a certain price
Give me the love glove
I'll give you love, gamble and sacrificeI'll give you love
I'll give you loveLove I'll give you money
Sweet as sugar pure as honey
Hey don't walk away
You won't have to payLove I'll give you gold
Gold you pay the price
I throw the dice
Gamble risk sacrificeGive me the love glove
I'll give you love for a certain price
Give me the love glove
I'll give you love, gamble and sacrificeLove has changed to you
Who's got the glove, I've got the cheque
One cheque for love
I've got the glove who pays the priceGive me the love glove
I'll give you love for a certain price
Give me the love glove
I'll give you love, gamble and sacrificeGive me the love glove
I'll give you love for a certain price
Give me the love glove
I'll give you love, gamble and sacrificeI'll give you love, I'll give you love
I'll give you love, I'll give you love
I'll give you love, I'll give you love
I'll give you love
