

(Don't Fear) The Reaper

Apollo 440

All our times have come
Here but now they're gone
Seasons don't fear the reaper
Nor do the wind, the sun or the rain
We can be like they are Come on baby
Don't fear the reaper, baby, take my hand
Don't fear the reaper, well be able to fly
Don't fear the reaper, baby, I'm your man La, la, la, la
La, la, la, la Valentine is done
Here but now they're gone
Romeo and Juliet are together in eternity
Romeo and Juliet Forty thousand men and women everyday
Like Romeo and Juliet
Forty thousand men and women everyday
Redefine happiness
Another forty thousand coming everyday
We can be like they are Come on baby
Don't fear the reaper, baby, take my hand
Don't fear the reaper, well be able to fly
Don't fear the reaper, baby, I'm your man La, la, la, la, la
La, la, la, la Love of two is one
Here but now they're gone
Came the last night of sadness
It's clear she couldn't go on The door was open and the wind appeared
The candles blew and then disappeared
The curtains flew and then he appeared
Saying, don't be afraid Come on baby
And she had no fear
And she ran to him
And she started to fly
And looked backward and said goodbye She had become like they are
She had taken his hand
She had become like they are
Come on baby Don't fear the reaper
Don't fear the reaper
Don't fear the reaper
Don't fear the reaper Don't fear the reaper
Don't fear the reaper
Don't fear the reaper La, la, la, la, la

La, la, la, la, la

La, la, la, la, la

La, la, la, la, la
