

You Set Me Free

[Michelle Branch](#)

Can't you see?
There's a feelin' that's come over me
Close my eyes
You're the only one that leaves me completely breathless
No need to wonder why
Sometimes a gift like this you can't deny, ohh'Cause I wanted to fly so you gave me your wings
And time held its breath so I could see, yea
And you set me free
Ooo
There's a will, there's a way
Sometimes words just can't explain
This is real, I'm afraid
I guess this time there's just no hidin', fightin'
You make me restless
You're in my heart
The only light that shines there in the dark, ohh'Cause I wanted to fly so you gave me your wings
And time held its breath so I could see, yea
And you set me free
When I was alone you came around
When I was down you pulled me through
And there's nothing that I wouldn't do for you'Cause I wanted to fly so you gave me your wings
And time held its breath so I could see, yea
'Cause I wanted to fly so you gave me your wings
And time held its breath so I could see, yea
And you set me free
