

# I Shall Be Released

Aaron Neville

They say everything can be replaced  
They say every distance is not near  
So I remember every face  
Of every man who put me here I see my light come shinin'  
From the west down to the east  
Any day now, any day now  
I shall be released They say every man needs protection  
They say that every man must fall  
Yet I swear I see my reflection  
Somewhere so high above this wall I see my light come shinin'  
From the west down to the east  
Any day now, any day now  
I shall be released Now yonder stands a man in this lonely crowd  
A man who swears he's not to blame  
And all day long I hear him shouting so loud  
Just crying out that he was framed I see my light come shinin'  
From the west down to the east  
Any day now, any day now  
I shall be released
